

EXCAVATOR & CONSTRUCTION EQUIPMENT FINANCE

# Keep your cash on the job — not tied up in iron.

Fast financing for the machines that win bigger bids: excavators, loaders, dozers, and trucks. New, used, private-party, or straight off the auction block.

EQUIPMENT WE FINANCE MOST

TYPICAL PRICE

01	Excavators — full-size & mini	\$40k–\$500k+
02	Skid steers & compact track loaders	\$45k–\$110k
03	Wheel loaders	\$120k–\$400k
04	Dozers	\$150k–\$1M+
05	Dump trucks & haulers	\$100k–\$700k

Attachments and trailers financed alongside the machine — one approval, one payment.

WHY FINANCE WITH US

- ◆ **Approved in 24 hours**  
App-only up to \$250k — a one-page application, decision same day.
- ◆ **Payments built around your season**  
Seasonal, skip, and step structures for the slow winter months.
- ◆ **Work before you pay**  
Defer the first payment up to 90 days — put the machine on a job first.
- ◆ **Used, private-party & auction**  
Lenders most brokers don't have. Bid with financing already in hand.

YOUR CHALLENGE, HANDLED

- Startup contractor, under 2 years → Startup-friendly lenders + a right-sized first machine to build credit.
- Slow, seasonal cash flow → Seasonal or skip-payment structures matched to your billing.
- Buying at auction or private-party → Pre-arranged financing so you bid with confidence.

## \$2.56M

SECTION 179 · 2026

Write off up to **\$2.56M** of new or used equipment in 2026, plus **100% bonus depreciation**. Your first-year tax savings can exceed your payments. *Figures are 2026 federal limits — confirm specifics with your tax advisor.*

Approved today. Digging tomorrow.
